

A pie chart with two segments. The blue segment, representing one-third of the total, is labeled 'one'. The orange segment, representing two-thirds of the total, is labeled 'two'.

A pie chart with two segments. The larger segment, colored blue, is labeled 'one' in blue text. The smaller segment, colored orange, is labeled 'two' in orange text.

Category	Count
one	10
two	2

A pie chart illustrating the distribution of responses for two categories: 'one' and 'two'. The chart is divided into two segments: a large blue segment representing 'one' and a smaller orange segment representing 'two'. The blue segment is labeled 'one' in blue text, and the orange segment is labeled 'two' in orange text.

Category	Count	Percentage
one	10	83.3%
two	2	16.7%
